

JustBoom DAC HAT Case

Black SKU: JBM-009 Red SKU: JBM-024

The DAC HAT Case is a stylish and durable enclosure for the Raspberry Pi and JustBoom DAC HAT ,with or without the Amp stacked on top.

Removing or installing the Raspberry Pi, DAC or Amp board is quick and simple; all without the need for tools. The two piece case is incredibly easy and straight forward to use.

This is currently the only case to perfectly accommodate the JustBoom DAC HAT and Amp. We've designed the case to allow enough clearance around all connectors so thick, high-end cables can fit securely. Get setup within minutes and start enjoying high quality audio!

Description

The DAC HAT Case is a stylish and durable enclosure for the Raspberry Pi and JustBoom DAC HAT ,with or without the Amp stacked on top.

Removing or installing the Raspberry Pi, DAC or Amp board is quick and simple; all without the need for tools. The two piece case is incredibly easy and straight forward to use.

This is currently the only case to perfectly accommodate the JustBoom DAC HAT and Amp. We've designed the case to allow enough clearance around all connectors so thick, high-end cables can fit securely. Get setup within minutes and start enjoying high quality audio!
